Winning Entry of the 2010 Student Design Awards

A Message From Our President

The AIA West Jersey Executive Committee has been working diligently behind the scenes to provide a spring/summer calendar full of fun and exciting events. But before I touch base on the new events I'd like to thank everyone who helped to make the 2010 Student Design Awards a smashing success. Despite some inclement weather we all enjoyed a great evening at the Haddon Fort Nightly. Those in attendance were privy to four excellent presentations from the four local University Schools of Architecture. Erin Avery from Drexel University was awarded first place with her very unique mixed use development set near the Drexel University Campus. Kristen Smith from the University of Pennsylvania was awarded second place for her New York City skyscraper presentation. Honorable mentions were awarded to Tony Gushanas of Philadelphia University and Andrew Waxtel of Temple University. A total of \$2,250 was awarded to the four students.

The student design awards evening wouldn't be possible without the support of our membership, local consultants, contractors and vendors at the AIA West Jersey Golf Tournament. The proceeds from this event have been used to fund both the Student Design Awards and the AIA NJ Scholarship Foundation. This year's event is just around the corner and is again being Chaired by Ron Franke, AIA and Tony Gambino (Diener Brick). We will be hosting the event at the Medford Village Country Club for a second consecutive year. The tournament will be held on Monday May 24th. The day's events include a brunch, modified scramble, open bar cocktail hour, dinner and an awards presentation. Along the way we find time to hold a few fun games including a putting contest, longest drive, and closest to the pin. We look forward to seeing you at the event. For further information you can visit our website at www.aiawestjersey.org or call Ron Frank at 609-654-9399. Golf is limited to the first 100 players and sponsorships are still available. Silver Sponsorships are available for as little as \$450 and include 2 greens fee's and a hole sign on the course! The costs for golf and/or sponsorships are allowed business deduction. Help the Architects of tomorrow and sink an Eagle put for your team all at the same time!

Our next general meeting is on Tuesday May 11th at Café Aldo Lamberti on Route 70 East. Our speakers will be Rob Auston from the NJ DCA speaking about the 2009 IBC, DCA activities and sustainable topics. Joining Rob will be Tony Catana from the Spiegle Group to discuss the International Green Construction Code. This will be a very entertaining and informative evening. We welcome you to join us. Dinner begins at 6:00 however we typically gather around the bar starting at 5:30.

A Message From Our President (continued)

Jim Del Grosso and Bob O'Reilly have been working to develop an associate/intern development meeting at the Cherry Hill, NJ Library on Saturday June 19th. The topics for the event have not been finalized and further details will be provided shortly. But in short, we are working to help develop and mentor tomorrow's Architects through a series of events geared towards the interests of the interns. Some of these may include ARE study sessions, Q&A period with Architects who have recently passed the ARE, careers in Architecture, managing a project, AIA contract documents, etc. Any members that have interns on staff or know of an intern at another firm please make every effort to pass this information along to the respective interns. The licensed Architects of AIA West Jersey can make this a successful program for the interns of our area. We are relying on you to help us get the word out. In addition please do not hesitate to contact the board if you have any thoughts or suggestions on topics that you think may be beneficial to the interns and associates.

We have selected Thursday August 19th for our annual Night out at the Ballpark with the Philadelphia Phillies. We have good seats in the first 4 rows of section 415. Tickets are again priced below face value at \$25. We are currently allowing the purchase of up to 6 tickets for AIA West Jersey members and affiliates. If tickets remain as we get closer to the event we will allow larger quantities. A signup sheet is available on our website at www.aiawestjersey.org. Join us in rooting on the Phillies against the San Francisco Giants.

We are working to finalize our fall trip and hope to be able to provide further details shortly. We are attempting to arrange a private behind the scenes tour for AIA West Jersey members at one of the more prominent buildings built in Philadelphia in the last decade.

Enjoy the great weather and have a fantastic summer!

Sincerely,
William J Fearon, AIA
AIA West Jersey President

AIA WEST JERSEY Student Design Competition

On Tuesday March 30, 2010, the AIA West Jersey Chapter held its annual Student Design Competition at the Haddon Fortnightly in Haddonfield, NJ. Each year, our chapter invites the faculty and staff of the four local architectural schools from Temple University, Drexel University, Philadelphia University, and University of Pennsylvania to select a non-thesis student to present their semester project to our jury and membership.

This year's candidates included:

Andrew Waxtel- Temple University

An art museum located near the Ben Franklin Parkway

Erin Avery- Drexel University

A retail/mixed use building located on a vacant lot near Drexel's campus

Mark Gushanas, Jr.- Philadelphia University

A diving center, pool and café located on a tight urban site along the Schuylkill River

Kristen Smith- University of Pennsylvania

Design for a new skyscraper in NYC.

It was an exciting and informative evening. The students were each asked to present their projects to our jury consisting of Anthony Alberto, AIA, Van Bruner, FAIA, Bruce Turner, AIA and Kirby Wu, AIA, and an audience of 40 people. Each student presented for approximately 20 minutes, and entertained a 20 minute Q & A period. The projects were well detailed and the students were well versed.

In the end, it was extremely difficult to choose the winner. Mark and Andrew each received Honorable Mention awards and scholarship money in the amount of \$250 each. Erin and Kristen scored even and it took the committee additional time to declare the winner. Kristen scored 2nd place and a \$500 scholarship, while Erin was crowned the winner and received a check for \$1,250.

Our Student Design Competition has been an integral part of our outreach program for the young professionals in our community and we look forward to sponsoring the event in years to come. If anyone is interested in volunteering for the committee or serving as a juror for our 2011 event, please feel free to contact me.

AIA WEST JERSEY Spring Event

Think Spring! Medford Village Country Club

May 24, 2010

AIA West Jersey members in good standing who sign-up to play will receive a \$40 voucher to attend a General Dinner Meeting in 2010.

Cordially invites you ...

to the Twenty-Fourth Annual Golf Tournament on Monday, May 24, 2010. Medford Village Country Club, (one of the Premier Private Golf Courses in New Jersey) to benefit students studying Architecture who live or work in the AIA West Jersey region.

Dear Friend,
Each year for the past twenty-three, AIA West Jersey has joined with our friends to support the architectural students of our area.

Together we have raised over \$100,000 in the history of our annual golf tournament. Funds raised each year have allowed AIA West Jersey to fund programs in support of students studying architecture. This fund presents awards to students each year to be used toward their architectural studies. The AIA West Jersey tournament will fund the programs specifically for students who reside or work in the AIA West Jersey region. This region includes Burlington, Camden, Gloucester and Salem Counties.

Your continued support of this cause is welcomed again this year. Please mark your calendar for Monday, May 24, 2010 to join us at Medford Village Country Club.

Sincerely,

Ronald D. Franks, AIA, NCARB
